First Baptist Church Ashland

Junior Graphic Designer
August 2025 - Present (9 months)
Ashland, Virginia, United States

As a Graphic Design Intern at First Baptist Church Ashland, I created visual materials that supported the church's mission of faith, community, and worship. My work included designing graphics for social media, sermon series, and church events that communicated messages of hope and connection. I collaborated with ministry leaders to develop creative concepts that enhanced worship experiences and community outreach. This internship strengthened my skills in digital design, visual storytelling, and brand consistency while allowing me to use my artistic gifts to serve the church and its members.
